DETAILED ACTION

Terminal Disclaimer

The terminal disclaimer filed on March 21, 2005 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of U.S. Patent No. 6,017,772 and U.S. Patent No. 6,276,962 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

Claims 1-18 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in claim 1, and specifically comprising the limitation of substantially removing a longitudinal portion of the at least one conductive structure to define at least one conductive layer having a width that is oriented substantially perpendicular to the substrate, the substrate being exposed along a length of the at least one conductive layer, and forming at least one emission structure adjacent the at least one conductive layer.

Regarding claims 2-9, claims 2-9 are allowable for the reasons given in claim 1 because of their dependency status from claim 1.

Regarding claim 10, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in claim 10, and specifically comprising the limitation of substantially removing at least a longitudinal portion of the at least one conductive structure along substantially an entire length thereof to define at least one conductive layer having a width that is oriented substantially perpendicular to the substrate.

Art Unit: 2879

Regarding claims 11-18, claims 11-18 are allowable for the reasons given in claim 10 because of their dependency status from claim 10.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
